Making Money Grow

Have you heard the phrase, "Money Doesn't Grow on Trees"? The sad truth is, money does not grow on trees. We have searched the world over and can't find one anywhere.

But what if we did? It might look something like this. How much money can you find growing on our silly money tree? (Each "leaf" is a \$1 bill.)

It might be nice if people would just give you money. But most people get money by earning it. That means they do some sort of work in exchange for money. This is called **income**.
